

Declaration

Date: 2020-12-15

We hereby confirm that the Sensalam and Ethafoam family of foams, sold by Special-Plast Produktion Gillinge AB fulfills the requirements according to the following directives:

EG 1907/2006 (Reach)

EU 2015/863 (RoHS 3)

This information is based on our current knowledge and practical experience. It can not be excluded that minor traces are included in the materials due to contamination within the manufacturing process. Special-Plast is not a manufacturer of raw materials and are relying on the certificates from our producers. The raw materials we use are considered articles as defined by the Reach directive. For factors, which are beyond our knowledge and control any guarantee and liability cannot be accepted.
